AUDITOR'S REPORT

MAY 23, 1966.

To the Members of:

HELLENIC LADIES BENEVOLENT SOCIETY OF MONTREAL

I have examined the balance sheet of the Hellenic Ladies Benevolent Society as at March 31st, 1966 and the statement of revenue and expenditures for the year ended on that date. My examination included a general review of the accounting procedures and accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion the accompanying balance sheet and statement of revenues and expenditures present a true and correct view of the financial position of the society as at March 31st, 1966 and the results of its operations for the year ended on that date in accordance with generally accepted accounting principles on a basis consistent with that of the preceding year.

George Stevens,

George D. Stevens, B.Com.

C. A.

Chartered Accountant.

Dear Madam:

We find that certain charitable associations governed by the Quebec Insurance Act neglect or omit to file with the Department, each year, the list of their officers and directors, with addresses in full, which prevents us from communicating with them, and especially for the issue of the Certificate of License and Registration required by the Law.

If your association has not complied with this formality for 1942, you are requested to give your early attention to the matter. You are also requested to include with the above list, the Auditor's report for the association for 1941.

On the other hand, if you are not the Secretary of your association, you are kindly requested to refer the present letter to the secretary now in office, for attention.
